The Board of Directors of Hampton Roads Pride is pleased to assist the GLBT and GLBT Friendly Community with the expenses of post-secondary education with our annual Scholarship program. Every year Community Service and General Scholarships are awarded to deserving college students throughout Virginia, and we are excited that you have decided to apply to be one of them. Scholarship Applications are due no later than *May 1st, 2011* to be considered for an award. Simply complete the application using the instructions on pages 6 & 7 and return it with the required completed documentation. Thank you for your interest in our Scholarship Program and Good Luck as you pursue your educational goals.

In order to be considered for our Scholarship, the Board of Directors has decided that anyone deemed eligible for a scholarship must provide some form of service to Hampton Roads Pride during the year they win the scholarship. It is good that you have maintained an elevated GPA, but as a community service organization run by volunteers, we need assistance with several events throughout the year. We ask for 10 hours of service to our organization. This can be coordinated with our Scholarship Chairman once you are determined eligible for the Scholarship.
